

SYED JAZIB HABIB

syedjazib456@gmail.com | +923357467524 | Karachi, SD Pakistan

PROFESSIONAL SUMMARY

- Resourceful Full Stack Developer and **Software Manager** with over **4 years** of experience in the full product lifecycle.
- Proven track record in managing complex systems like **Student Information Management Systems (SIMS)** and leading cross-functional teams to digitize workflows.
- Expert in **ASP.NET Core**, **C#**, and **Relational Databases**, with a strong focus on performance, scalability, and system integration.

Technical skills

- **Core Languages & Frameworks:** C#, .NET Core, ASP.NET Core, WPF (familiar), JavaScript (ES6+), PHP.
- **Database Management:** SQL Server, MySQL, Entity Framework, MongoDB.
- **Software Engineering:** OOP, Data Structures, MVC Architecture, CRUD Operations.
- **API & Integration:** RESTful APIs, WebSocket (Real-time updates), JWT Authentication
- **Tools & Platforms:** Git, GitHub, VS Code, Postman, Docker (basic)

Bonus: Familiarity with AI/ML concepts, LLM integration, and cloud data workflows

OTHER SKILLS

State Management, API Security, Deployment & Hosting

PROJECTS OVERVIEW

Designed and developed multiple full-stack web applications using **MERN Stack**, **ASP.NET Core**, **PHP**, and **MySQL**, focusing on performance, scalability, and user engagement.

- **Tech Accord Academy (PHP & MySQL)** – Built a scalable e-learning platform featuring RESTful APIs, role-based dashboards, and secure online payments. Designed efficient backend structures and optimized SQL queries to improve data retrieval speed by **20%**.
- **Grand Auction Online Auction System (ASP .NET Core)** – Designed and implemented .NET Core APIs and WebSocket-based updates for real-time bidding. Focused on performance, reliability, and secure transactions.
-

- **Fitness Tracker App (MERN Stack)** – Built a full-featured fitness tracking web and mobile app using React, Node.js, and MongoDB. Implemented **REST APIs**, JWT authentication, and integrated real-time progress tracking. Designed responsive UI and optimized performance for both web and mobile users.

Implemented RESTful APIs, optimized database queries, and ensured mobile-responsive UI across all projects.

Followed best practices in version control (Git/GitHub) and Agile workflows for efficient development and collaboration.

PROFESSIONAL EXPERIENCE

SENIOR FACULTY MEMBER

Aptech Learning North Karachi

July 2022 – Present

- Delivered professional training in MERN Stack, ASP.NET Core, and AI-based Web Analytics to 300+ students.
- Mentored students on data-driven application development and Agile teamwork practices.
- Conducted 30+ sessions on Google Analytics, AI data processing, and RESTful API integration.

NETWORK & IT Intern

Karachi School of Arts

Feb 2021 – June 2022

- Managed the **full-stack development** and **full product lifecycle** of the Student Information Management System (SIMS).
- Managed Windows and Software installations across institutional computers, ensuring systems met performance and security standards.
- Performed Server Management and optimized data processing pipelines for the Student Information Management System (SIMS)

EDUCATION

NED University of Engineering & Technology

August 2024 – August 2026

MS Data Science

Federal Urdu University of Arts, Science & Technology

January 2018 – January 2022

BS Computer Science

ACHIEVEMENTS

 **Performer of the Year Award** – Recognized by the **FSO** for exceptional teaching performance and academic contribution (as **Senior Faculty Member**).

 **Star Performer Award** – Awarded for outstanding results and student success.

 **Best Motivator Award (2x)** – Honored twice for inspiring and guiding students toward achieving their academic and professional goals.

LEADERSHIP & EVENT MANAGEMENT

- Led and coordinated multiple **institutional exhibitions and tech events**, including **Aptech Vision**, **Software Project Exhibitions**, and **TechWiz Competitions**.
- Provided technical guidance to students during event project preparation and presentation phases, ensuring professional execution and innovation.
- Fostered collaboration between departments, enhancing event visibility and student engagement.
